Professional Summary

Operations Leader with 18+ years of experience building, scaling and transforming business operations. Grew a five-person Kenya start-up into a 103-person operation, establishing HR, Finance, Compliance and Trust & Safety functions. Led operations through an acquisition and systems migration, and managed closure, maintaining client relationships, budget oversight, and compliance. Skilled in establishing operational structures, strengthening governance, improving processes and leading teams through organisational change. Increased workflow throughput by 75% through AI workflow automation within three months. Seeking General Manager and Head of Operations roles across the private and development sectors.

Education

- **MBA in Global Business** – Monarch Business School, Switzerland
- **Bachelor of Science** – Egerton University, Nakuru, Kenya

Skills

Country Operations, General Management, Service Delivery, BPO Operations, Trust & Safety, Fraud Prevention, Workforce Planning, Change Management, Crisis Management, Business Continuity, Risk Management, Acquisition Integration, Due Diligence, Budget Management, Vendor Management, Payroll Operations, Performance Management, HR Operations, Employee Relations, Organisational Design, Process Automation, SLA Management, Corporate Governance.

Experiences

General Manager
Social Discovery Group | Nairobi, Kenya | Jul 2021 – Present
Roles And Responsibilities:

- Lifted processing and approval throughput by 75% within 3 months by mapping manual workflows for automation with AI engineers, global technology teams and the Chief Technology Officer (CTO).
- Led integration of the Kenya operation into Social Discovery Group across HR, finance, procurement, technology and reporting, running 2 parallel audit cycles without disrupting compliance or service delivery.
- Retained 100% of key clients through the earn-out period while aligning policy, reporting and employee change to group governance standards.
- Improved fraud response by 30% to 40% by expanding platform-safety workflows into fraud detection, suspicious-activity monitoring, and risk escalation under clearer controls and reporting rhythms.
- Held payroll, procurement, vendor and audit controls across a USD 1.1M annual budget, clearing National Social Security Fund (NSSF) and National Hospital Insurance Fund (NHIF) audits without compliance gaps.
- Directed workflow transitions, technology adoption, policy harmonisation and reporting realignment during the systems migration, with stakeholder communication keeping client continuity intact.
- Managed office closure, workforce redundancy, legal counsel, settlements, vendor exits, lease termination, KES 8M asset disposal, premises restoration, and final accounts.

General Manager
Ecom Services Ltd. | Nairobi, Kenya | Jul 2012 – Jul 2021
Roles And Responsibilities:

- Expanded workforce from 5 to 103 staff members, creating organisational structures and reporting frameworks while overseeing HR, finance, payroll, banking, risk, tax, procurement, governance, and regulatory compliance.
- Raised efficiency by 30% to 40% by creating 4 departments: Moderation, Trust & Safety, Customer Support and Compliance, with strategic planning, Key Performance Indicators (KPIs) and escalation paths.
- Established the HR function, introducing the inaugural handbook, job descriptions, competency frameworks, performance reviews, psychometrics, 1:1s, and structured hiring.
- Cut HR administration and paper-based record handling by more than 75% by co-building Akira Human Resource Management System (HRMS) with IT to automate leave, wellness-day and sick-leave processes.
- Delivered a KES 10M dedicated office for 80 employees in 3 months and a KES 15M expansion in 2.5 months, both within budget and adding 25 seats.

- Moved all 80+ employees to remote work by March 23, 2020, keeping service uninterrupted through laptop and software access, asset-tracking controls, and policy compliance.
- Compiled 5 years of financial, HR, legal, supplier, asset, lease and statutory records that were positively recognised during the 2021 acquisition due diligence by Social Discovery Group.

Customer Service Manager
Ecom Services Ltd. | Nairobi, Kenya | Apr 2011 – Jun 2012
Roles And Responsibilities:

- Increased capacity by 50% and improved turnaround time by 40% by moving a single-shift operation to a 24-hour service model for international clients.
- Reduced backlogs by more than 35% by recruiting, inducting and coaching the night and graveyard shift teams that carried the 24-hour model.
- Brought payroll in-house from an external recruitment agency, covering salaries and statutory deductions, cutting costs by 20% to 30% and reaching 100% accuracy and timeliness.
- Improved service delivery efficiency by 20% by redesigning workflows and introducing Standard Operating Procedures (SOPs), KPIs, Service Level Agreement monitoring, escalation paths and quality-assurance routines.
- Onboarded a second client without disrupting the primary engagement, building workflow readiness and capacity for work that generated USD 48,000 over 2 years.

Customer Service Team Leader
Ecom Services Ltd. | Nairobi, Kenya | Dec 2010 – Mar 2011
Roles And Responsibilities:

- Coached the team to consistently surpass client SLAs through recognition programmes and targeted performance coaching, building a performance-led service culture.
- Aligned agents around client deadlines and quality standards through daily team coordination, keeping service consistent as workload grew.
- Mentored team members through structured feedback and practical guidance, strengthening individual performance and readiness for added responsibility.

Other Experiences
